

Technical and Staffing Services

THE POWER OF PEOPLE

About Us

We provide skilled craft staffing to our industrial partners. We are committed to ensuring our client's staffing needs are taken care of professionally, in a timely manner, and with skilled, safety conscious personnel. Our employees are our greatest asset and we are committed to providing our staff with a safe and healthy work environment, as well as excellent benefits to encourage employee retention.

Expertise

Delegate your specialized technical and light craft recruiting to us. You concentrate on the business operations, and we concentrate on recruiting your technical and light craft staffing needs.

Convenience

We manage:

- Advertising
- Screening of Applications
- Background Checks
- Drug Screening
- Reference Checks
- Validation of IDs, licenses, and certifications
- Hiring Process
- Payroll Burden
- Benefits
- Employee Retention

Value

Utilizing Taurus Staffing Services will reduce your labor costs. Eliminate worker's comp insurance, claims, audits, hiring risks, termination issues, unemployment, Social Security and Medicare match, hiring, recruiting, and advertising costs.
